**TENDERING DATA**  
**Volume 1 Tender and Contract**  
**Section T1 Tender and Contract**

Clause number	Tender Data												
	<b>AWARD STRATEGY</b> - The tender will be awarded to the tenderer scoring the highest points in terms of Price and Specific goals per category.												
	<b>ALLOCATION STRATEGY</b> -Allocate per category to the highest preference ranking tenderer in terms of price and specific goals												
C.3.11.2 & C.3.11.3	<p>The procedure for the evaluation of responsive tenders is Method 2 (Financial Offer and Specific Goals):</p> <p><b>1. APPLICATION OF THE PREFERENCE POINTS SCORING SYSTEM</b></p> <p><u>The following preference point systems are applicable to all bids:</u></p> <ul style="list-style-type: none"> <li>- the 90/10 system for requirements with a Rand value above R50 000 000 (all applicable taxes included).</li> <li>- The Specific Goals for the tender will be stated in MBD 6.1. In MBD 6.1, the tenderer must indicate how many points they are claiming for each Specific Goal and must submit all the required supporting documentation for the points to be verified and awarded by JW. JW will evaluate the submitted supporting documentation and confirm Specific Goal points claimed by the tenderer. Specific goals to be allocated by the Bid Evaluation Committee will depend on verification documentation submitted.</li> <li>- Only tenderers that have completed and signed MBD 6.1 and submitted applicable verification documents will be allocated Specific Goal points for preferencing.</li> </ul> <p>(a) The values of this bid is estimated to be above R50 000 000 (all applicable taxes included) and therefore the 90/10 preference point system shall be applicable respectively.</p> <p>(b) Preference points for this bid shall be awarded for:</p> <p style="padding-left: 40px;">Price; and Specific Goals.</p> <p>(c) The maximum points for this bid are allocated as follows:</p> <p style="padding-left: 40px;">Rand value above R50 000 000 (all applicable taxes included).</p> <table border="1" style="margin-left: 40px; border-collapse: collapse; width: 60%;"> <thead> <tr> <th style="text-align: left;">Description</th> <th style="text-align: center;">Points</th> <th style="text-align: center;">Points</th> </tr> </thead> <tbody> <tr> <td>Price</td> <td style="text-align: center;">90</td> <td style="text-align: center;">80</td> </tr> <tr> <td>Specific goals</td> <td style="text-align: center;">10</td> <td style="text-align: center;">20</td> </tr> <tr> <td><b>Total points for Price and Specific Goals must not exceed</b></td> <td style="text-align: center;"><b>100</b></td> <td style="text-align: center;"><b>100</b></td> </tr> </tbody> </table> <p>(d) Failure on the part of a bidder to submit proof of specific goals points claimed in</p>	Description	Points	Points	Price	90	80	Specific goals	10	20	<b>Total points for Price and Specific Goals must not exceed</b>	<b>100</b>	<b>100</b>

**Note:**The total of the rates for the three-year contract period will be used solely for purposes of comparative evaluation of price and preference points. The derived total does not constitute a guaranteed contract value or award amount, as the contract is rate-based and work will be executed on an 'as and when required' basis subject to operational requirements and budget availability.
