<u>ADDENDUM</u>	No. 01
<u>CONTRACT NUMBER:</u>	JW14509
<u>CONTRACT TITLE:</u>	PARKTOWN NORTH WATER PIPE REPLACEMENT
<u>SUBJECT</u>	Addendum 1
<u>Date</u>	15 May 2026
<u>Sender</u>	<u>Nthabiseng Matabane email -Nthabiseng.matabane@jwater.co.za</u>

Tenderers are required to incorporate the following and return the Addendum:

- The evidence requirement under the Technical Evaluation was captured as follows: “Record of completed projects accompanied with Contractor letter of appointment, completion certificate/final approval certificate and supported with contactable references.”

When read as drafted, the wording may be interpreted to mean that, in addition to the required supporting documents i.e. the Contractor letter of appointment, completion certificate/final approval certificate and contactable references, bidders were also required to submit a separate “Record of completed projects.” However, the submission of a separate record of completed projects was not an intended requirement, nor was it listed elsewhere (Evaluation criteria and reference letters) in the tender document under the required documents to be submitted.

- The documentation required under Mandatory Evaluation (Financial Capacity) was captured as follows: “submit not older than thirty (30) days Bank-stamped bank statements (only the page that shows the balance), bank-stamped overdraft facilities and bank-stamped confirmation letter. For this requirement, contractors are required to demonstrate to have a minimum of 10% of the amount indicated in the form of offer excluding VAT and contingencies”

Currently, the statement may be perceived as though the bidders are requested to submit both the bank-stamped bank statements “and” bank-stamped overdraft facilities. However, the bidders are requested to submit one of these documents that will substantiate that they have a minimum of 10% of the amount indicated in the form of offer excluding VAT and contingencies.

It was therefore necessary to rephrase the statement to ensure clarity and proper understanding of the requirements, thereby enabling bidders to submit compliant information accordingly.

- Closing date is extended from 25 May 2026 to 29 May 2026 at 10:30AM

Yours faithfully
