**Stage 1: Mandatory Evaluation**

NO.	MANDATORY CRITERIA	YES
1.	The tenderer must submit proof of the required documentation as outlined below: • Tenderers are required to complete and submit a technical data sheet for each sample to be provided. Failure to submit a technical data sheet for every sample will result in non-compliance with the tender conditions and will lead to disqualification. • Tenderers must provide the latest edition of SANS 62-1 for pipes with a nominal size of 40 mm to 150 mm, or SANS 719 for pipes with a nominal size of 200mm to 250 mm. The tenderer must submit a SANS certificate relevant to the specific category they are tendering for. Note 1: <i>If the tenderer is a supplier and not the original equipment manufacturer (OEM), they must submit a letter of intent from their principal confirming the source of the offered items. The SANS certificates submitted must correspond with the principal stated in the letter of intent.</i> Note 2: <i>If the tenderer is an OEM, they must provide proof confirming that they are the principal manufacturer of the offered items. The OEM must also submit the latest SANS certificates confirming their compliance as the manufacturer.</i> NB: <i>Failure to submit any of the required documentation will result in the tender being rejected for non-compliance with the tender conditions, leading to disqualification.</i>	Yes
2.	Signed Pricing Schedule and completed rates for items offered.	Yes
